

## Century High Parent Named Santa Ana Unified Parent of the Year for 2006/07!

Santa Ana Unified has named its Parent of the Year Susana Munoz for her many hours of support during the 2006/07 school year. As a mother of four, Munoz knows what parenting is all about. She serves as a parent coordinator for Century High's tremendously active Model United Nations program. She is an active member of the Parent Teacher/Student Association and was elected to serve as a parent representative on the Century School Site Council — all this while spending the last year working for SAUSD as a food service worker with perfect attendance. Her job has not prevented Munoz from being an outstanding parent volunteer or participating in the success of her children. She has two who are college graduates and one 2007 graduate of Century High School, who has been accepted to both UC Irvine and Cal State Fullerton.

2006/07 Parent of the Year

The Santa Ana Unified Parent of the Year finalist for 2006/07 is Susan Brommers. Brommers single handedly created Jefferson Elementary's Parent Teacher Organization, personally recruiting parents. She is not only the president of the Parent Teacher Organization but is also a member of the School Site Council. She led the campaign to fund a field trip that sent all fifth graders to a

week-long Science Camp and directed the Parent Teacher Organization to begin the tradition of hosting the Teacher Appreciation luncheon.
